Dear Mr. Huey:

We have received a letter from Vice-President John Jay Pittman which informs us that your requested address change was not made for The Numismatist. Also Mr. Pittman said that your brother, Charles, is now receiving two copies of the magazine at his Military Rd. address.

A careful check in our office locates a human error on our part and the computer had nothing to do with the mistake.

On receiving your address correction on December 12 we posted the change on Charles' card - that is the error. Our records show that the December and January issues were sent to your name at Linwood Avenue (your old address) and to Charles at LaSalle Avenue (your new address).

We know that Mr. Pittman said that Charles was now receiving two copies, but we believe that if anyone is, you are receiving duplicate copies, one forwarded from your Linwood address and the one from the LaSalle address.

Corrections have now been made and you will receive the March issue at your LaSalle address, and we are revising Charles' address to the Military Rd number. We will be pleased to forward all missing copies to whichever brother is missing issues. Please advise.

Sincerely,

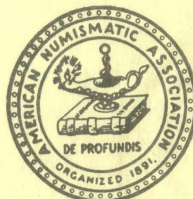

Adna G. Wilde, Jr.

Dear Adna:

On Saturday, January 23, 1970, I attended the Annual Awards Banquet of the Niagara (N.Y.) Frontier Coin Club (ANA #44696) and was one of the Banquet speakers. As a part of my talk I asked for comments on ANA and received what may be another complaint about computer service in Colorado Springs. Here is the problem:

Mr. Ronald E. Huey is President of the Niagara Frontier Coin Club and is an ANA member. Mr. Charles E. Huey, a brother of Ronald Huey, is a member of the club and also an ANA member. Some months ago, Mr. Ronald E. Huey notified the ANA that his new address is 2030 LaSalle Ave., Niagara Falls, N.Y. 14301. Since that notification Mr. Ronald E. Huey has not received his copy of THE NUMISMATIST. However, Mr. Charles E. Huey, of 2587 Military Rd, Niagara Falls, N.Y., 14304, is ^{now} receiving two copies of the magazine each month. Please straighten out this matter and let Mr. Ronald E. Huey and me know how the mixup occurred.

I was also asked by members of the Niagara Frontier Coin Club how it was possible for a number of clubs jointly to make one Scrapbook entry for National Coin Week competition. If this did happen, we would like to know the why's and wherefor's.

The Niagara Frontier Coin Club, as you may remember, won a 1st award in the Class C Clubs category. They received their plaque at the Philadelphia convention but they have never received their National Coin Week certificate. Would you please see that this is sent to them and let me know why it has not been done before now.

With best regards,
Sincerely,

John Jay Pittman
